IN THE SUPERIOR COURT OF THE STATE OF WASHINGTON
IN AND FOR THE COUNTY OF KING

NOTICE OF CLASS ACTION SETTLEMENT

You may be eligible for a payment from a class action settlement relating to your application for employment with Vera Whole Health, Inc.; Vera Whole Health WA, P.C.; or Castlight Health, Inc. King County Superior Court authorized this Notice. You are not being sued. This is not a solicitation from an attorney.

- An applicant for employment, Shannon Spencer ("Plaintiff" or "Class Representative"), filed a lawsuit against Vera Whole Health, Inc.; Vera Whole Health WA, P.C.; and Castlight Health, Inc. ("Defendants") on behalf of a class of similarly situated applicants for employment. The lawsuit is pending in King County Superior Court as Case Number 24-2-00163-8 SEA before the Honorable Nikole E. Hecklinger (the "Lawsuit").

- In the Lawsuit, Plaintiff alleges that Defendants' job postings for Washington positions did not disclose pay or benefits information in violation of the Washington Equal Pay and Opportunities Act, RCW 49.58.110. Defendants dispute Plaintiff's claims and contend they have not violated any law and Plaintiff's claims are without merit. The Court has not made any determinations regarding liability.

- The Parties to the Lawsuit have reached a proposed settlement, which includes a payment by Defendants' insurance company, Evanston Insurance Company, of **$2,925,000.00** ("Common Fund"). On October 22, 2026, the Court issued an order preliminarily approving the settlement and authorizing the Settlement Administrator, Simpluris, Inc. ("Settlement Administrator"), to issue this Notice.

- You are receiving this Notice because Defendants' records indicate you are a Settlement Class Member. "Settlement Class Members" include Plaintiff and all individuals who, from January 1, 2023, through October 22, 2026, applied for a job opening in the State of Washington with Vera Whole Health, Inc.; Vera Whole Health WA, P.C.; or Castlight Health, Inc., where the job posting did not disclose the wage scale or salary range and a general description of benefits and other compensation.

- The Court still has to decide whether to approve the settlement. No settlement benefits or payments will be provided unless the Court approves the settlement and it becomes final.

- Read this Notice carefully. Your legal rights are affected regardless of whether you act or not. For complete details, please see the Settlement Agreement, the terms of which control, available at **www.EPOASettlementVWHI.com.**

BASIC INFORMATION

1. What is this Notice and why should I read it?

The Court authorized this Notice to inform you about a proposed settlement. You have legal rights and options you may act on before the Court decides whether to approve the proposed settlement. You may be eligible to receive a payment as part of the settlement. This Notice explains the lawsuit, the Settlement Agreement, and your legal rights.

Judge Nikole E. Hecklinger of King County Superior Court is overseeing this Lawsuit. Shannon Spencer is the Plaintiff or Class Representative. The companies he sued, Vera Whole Health, Inc.; Vera Whole Health WA, P.C.; and Castlight Health, Inc., are the Defendants.

2. What is a class action lawsuit?

A class action is a lawsuit in which one or more plaintiffs sue on behalf of a group of people who have similar claims. Together, this group is called a "Settlement Class" and consists of "Settlement Class Members." In a class action, the court resolves the issues for all class members, except those who exclude themselves from the class.

3. What is this lawsuit about?

Plaintiff claims that Defendants violated the pay transparency provision of the Washington Equal Pay and Opportunities Act, RCW 49.58.110, by failing to disclose pay and benefits information on job postings for open Washington positions. Defendants deny that they are or can be held liable for the claims made in the Lawsuit. More information about the Lawsuit can be found in the "Important Documents" section of the Settlement Website at **www.EPOASettlementVWHI.com**.

4. Why is there a settlement?

The Court has not decided whether Plaintiff or Defendants should win this case. Instead, both sides agreed to this settlement. That way, they can avoid the uncertainty, risks, and expense of ongoing litigation, and Settlement Class Members will get compensation now rather than years later—if ever. Plaintiff and Class Counsel, attorneys for the Settlement Class Members, agree the settlement is in the best interests of the Settlement Class Members. The settlement is not an admission of wrongdoing by Defendants.

5. How do I know if I am in the Settlement Class?

Defendants' records show you are part of the Settlement Class because you applied to a job posting that did not disclose pay or benefits information between January 1, 2023, and October 22, 2026. Contact the Settlement Administrator by calling toll-free at **1-866-613-8396**, emailing **info@EPOASettlementVWHI.com** or visiting

the Settlement Website at **www.EPOASettlementVWHI.com** with any questions regarding your inclusion as a Settlement Class Member.

6. What does the settlement provide?

All Settlement Class Members who do not exclude themselves from the settlement are eligible to receive an equal share of the Common Fund. Settlement payments will be characterized as non-wage damages (1099).

Your estimated payment amount is **$___**.

7. How do I receive a payment?

All Settlement Class Members who do not exclude themselves from the settlement will be eligible to receive a payment. If the Court approves the settlement and you did not exclude yourself, you will receive a settlement payment in the mail.

To ensure you receive your payment, you must confirm the Settlement Administrator has your current mailing address. You must also contact the Settlement Administrator if your address or phone number changes at any time. 8. When will I get my payment?

The hearing to consider the fairness of the settlement is scheduled for **February 26, 2027, at 8:30 A.M.** If the Court approves the settlement, eligible Settlement Class Members who did not exclude themselves from the settlement will be sent a settlement payment after all appeals and other reviews, if any, are completed. Please be patient. All settlement payments will expire and become void 180 calendar days after the date of issuance.

9. Will Defendants retaliate against me if I participate in the settlement?

No. Defendants fully support the settlement and will not retaliate in any way against any Settlement Class Member for participating in the settlement. Your decision to participate, not participate, or object to the settlement will not affect your employment with Defendants or Defendants' treatment of you as an applicant, or current or former employee.

THE ATTORNEYS REPRESENTING YOU

10. Do I have an attorney in this case?

Yes, the Court appointed Timothy Emery, Patrick B. Reddy, Paul Cipriani, and Hannah M. Hamley of Emery Reddy, PC as Class Counsel to represent the Settlement Class. Their contact information is:

Emery Reddy, PC
600 Stewart Street, Suite 1100
Seattle, WA 98101
Phone: (206) 442-9106

Should I get my own attorney? You don't need to hire your own attorney because Settlement Class Counsel are working on your behalf. These attorneys and their firm are experienced in handling similar cases. You will not be charged for these attorneys. You can ask your own attorney to appear in Court for you, at your own cost, if you want someone other than Settlement Class Counsel to represent you.

11. How will Settlement Class Counsel and the Class Representative be paid?

Settlement Class Counsel will ask the Court to approve, and Defendants agree not to oppose, an award of attorneys' fees in the amount of $975,000.00, plus actual litigation costs and expenses up to $10,000.00, to be paid from the Settlement Fund. Class Counsel will also request a service award for Plaintiff in the amount of $20,000.00, to be paid from the Settlement Fund. The Court will determine the proper amount of any attorneys' fees, costs, and expenses to award Class Counsel and the proper amount of any service award to Plaintiff. The Court may award less than the amounts requested. Whether the settlement will be finally approved does not depend on whether or how much the Court awards in attorneys' fees, costs, and expenses or service award.

YOUR RIGHTS AND OPTIONS

12. What claims do I give up by participating in this settlement?

If the Court approves the settlement, the Court will enter a final judgment dismissing the Lawsuit "with prejudice." This means that the claims in the Lawsuit will be permanently dismissed. Specifically, Defendants will be "released" from claims as described in the Settlement Agreement, which states:

> **Settlement Class Member Release**. Upon final approval of this Settlement Agreement by the Court, Settlement Class Members who do not timely opt-out will release and discharge Defendants and the Released Parties (defined below), from all claims during the period of January 1, 2023, through the date of preliminary approval that were asserted against Defendants in the Action, including any attendant claims under any state, federal, or local law, to the fullest extent permitted ("Released Claims").
>
> **Released Parties.** Defendants, and all of their past, present, and future parents, subsidiaries, affiliates, and assigns, and their present and former agents, managing agents, owners, principals, shareholders, employees, representatives, officers, directors, insurers, investors, partners, tax advisors, trustees, administrators, board members, accountants, attorneys, real or alleged alter egos, real or alleged joint employers, predecessors, successors, transferees, assigns, and all other representatives of Defendants, individually and in their corporate or other representative capacities.

By being part of the settlement, Settlement Class Members agree they cannot sue or seek recovery against Defendants or other Released Parties as described in the Settlement Agreement for any released claims. Participating in the settlement does not, however, waive claims outside the release.

Any Settlement Class Member who does not request exclusion by **December 21, 2026** will be a Settlement Class Member and will be considered to have accepted the above release and to have waived any and all of the released claims against the Released Parties. Any Settlement Class Member who requests exclusion by the applicable deadline is not a Settlement Class Member, will not be subject to the release, and will not receive any payment.

13. What happens if I do nothing?

If you do nothing and the Court approves the settlement, you will still be in the Settlement Class, receive a payment in the mail upon confirmation of a valid mailing address, and be bound by all orders and judgments of the Court, the Settlement Agreement, and its included release. Unless you exclude yourself, you won't be able to file a lawsuit or be part of any other lawsuit against Defendants for the claims or legal issues resolved in this settlement.

14. What happens if I request to be excluded?

If you submit a timely, valid request for exclusion from the settlement, you will not be in the Settlement Class and will not receive a settlement payment. However, you will not release claims against Defendants, and you will not be legally bound by the Court's judgments in this Lawsuit.

15. How do I request to be excluded?

To request to be excluded from the settlement, you must send a letter, postmarked no later than **December 21, 2026,** to the Settlement Administrator at the following address:

Shannon Spencer v. Vera Whole Health, Inc. et al.
c/o Simpluris, Inc.
P.O. Box 26170, Santa Ana, CA 92799

To be considered valid, a request for exclusion **must** include: (i) your full name; (ii) your address; (iii) a statement that you wish to be excluded from the settlement (for example, "I request to be excluded from the class action settlement in *Shannon Spencer v. Vera Whole Health, Inc. et al.*"); and (iv) your (or your attorney's) signature and date signed.

You cannot exclude yourself by phone or email. Each individual who wants to be excluded from the settlement must submit his or her own request for exclusion. Group requests for exclusion are not permitted.

16. If I don't exclude myself, can I sue Defendants for the same thing later?

No. Unless you exclude yourself, you give up any right to sue Defendants for the claims being resolved by this settlement even if you do nothing.

17. If I exclude myself, can I get anything from this settlement?

No. If you exclude yourself, you will not receive a settlement payment.

18. How do I object to the settlement?

If you do not exclude yourself from the Settlement Class, you can object to the settlement if you disagree with any part of it. You can give reasons why you think the Court should deny approval of the settlement by filing an objection. To object, you must file written notice with the Court stating that you object to the settlement in *Shannon Spencer v. Vera Whole Health, Inc. et al.*, no later than **December 21, 2026.** Your objection must be filed

with the Court, which you can do by mailing your objection and any supporting documents to King County Superior Court at the following address:

King County Superior Court
Maleng Regional Justice Center
401 Fourth Avenue North, Room 2D
Kent, WA 98032

If you are represented by an attorney, the attorney may file your objection through the Court's e-filing system.

To be valid, your objection must be in writing and include: (i) your full name, address, telephone number, and e-mail address; (ii) the case name and number; (iii) the reasons why you object to the settlement; (iv) the name and address of your attorney, if you have retained one; (v) a statement confirming whether you and/or your attorney intend to personally appear at the Final Approval Hearing; (vi) a list, by case name, court, and docket number, of all other cases in which you (directly or through an attorney) have filed an objection to any proposed class action settlement within the last three years; (vii) a list, by case name, court, and docket number, of all other cases in which your attorney (on behalf of any person or entity) has filed an objection to any proposed class action settlement within the last three years; and (viii) your (or your attorney's) signature and date signed.

In addition to filing your objection with the Court, you must also mail copies of your objection and any supporting documents to both Class Counsel and Defendants' attorneys at the addresses listed below, postmarked no later than **December 21, 2026:**

Class Counsel	Defendants' Counsel
Timothy W. Emery Patrick B. Reddy Paul Cipriani Hannah M. Hamley **Emery Reddy, PC** 600 Stewart Street, Suite 1100 Seattle, WA 98101	Melissa K. Mordy **Davis Wright Tremaine LLP** 929 108th Avenue, Suite 1500 Bellevue, WA 98004 Aliah McCord **Davis Wright Tremaine LLP** 920 Fifth Avenue, Suite 3300 Seattle, WA 98104

19. What's the difference between objecting and excluding myself from the settlement?

Objecting simply means telling the Court that you don't like something about the settlement. You can object only if you stay in the Settlement Class. Excluding yourself from the Settlement Class means telling the Court that you don't want to be part of the Settlement Class. If you exclude yourself, you have no basis to object, because the case no longer affects you, and you will not receive a settlement payment.

THE COURT'S FINAL APPROVAL HEARING

20. When and where will the Court hold a hearing on the fairness of the settlement?

The Court will hold the Final Approval Hearing before Judge Nikole E. Hecklinger on **February 26, 2027, at 8:30 A.M.** in King County Superior Court, Maleng Regional Justice Center, 401 Fourth Avenue North, Room 4C, Kent, WA 98032. To attend remotely via Zoom, you may use the following link:

Zoom Link: https://kingcounty.zoom.us/j/87882714988

The purpose of the hearing is for the Court to determine whether the settlement is fair, reasonable, adequate, and in the best interests of the Settlement Class. At the hearing, the Court will hear any objections and arguments concerning the fairness of the proposed settlement, including those related to the amount requested by Class Counsel for attorneys' fees, costs, and expenses and the service award for Plaintiff.

Note: The date and time of the Final Approval Hearing are subject to change by court order. Any changes will be posted at the Settlement Website, **www.EPOASettlementVWHI.com**, or through the Court's publicly available docket. You should check the Settlement Website to confirm the date and time have not been changed.

21. Do I have to come to the hearing?

No. Class Counsel will answer any questions the Court may have, but you are welcome to attend the hearing at your own expense. If you send an objection, you don't have to come to the hearing to talk about it. As long as your written objection was filed or mailed on time and meets the other criteria described in the settlement, the Court will consider it. You may also hire an attorney to attend on your behalf at your own expense, but you don't have to.

22. May I speak at the hearing?

Yes. If you do not exclude yourself from the Settlement Class, you may ask the Court for permission to speak at the Final Approval Hearing concerning any part of the proposed settlement.
