

NOTICE OF PROPOSED CLASS ACTION SETTLEMENT

A federal court authorized this notice. This is not a solicitation from a lawyer.

UNITED STATES DISTRICT COURT FOR THE DISTRICT OF NEW JERSEY

If you are a current or former owner or lessee of a certain Volkswagen brand vehicle listed below that was purchased or leased in the United States or Puerto Rico, you may be eligible for benefits afforded by a class action settlement. This notice is being mailed to you because you have been identified as owning or leasing such a vehicle.

- **This proposed class action, pending in the United States District Court for the District of New Jersey, is captioned *Jessica Briggs, et al. v. Volkswagen Group of America, Inc., et al.*, Civil Action No. 2:25-cv-01540-SDW-JBC, pending in the United States District Court for the District of New Jersey (the “Action”). The parties have agreed to a class settlement of the Action, and the Court has preliminarily approved the proposed Settlement. As a Settlement Class Member, you have various options that you may exercise before the Court decides whether to grant final approval the Settlement.**
- **This Notice explains the Action, the proposed Settlement, your legal rights and options, available benefits, who is eligible for and how to obtain the benefits, and applicable dates, time deadlines and procedures.**
- **Your legal rights are affected whether you act or do not act. Read this Notice carefully.**
- **Payments will be made only if the Court approves the Settlement and after appeals, if any, are resolved.**

BASIC INFORMATION

1. Why you received this notice, and what the Action and settlement benefits are.

According to records, you are a current or past owner or lessee of a specific model year 2018-2022 Volkswagen Atlas or Atlas Cross Sport vehicle, equipped with a 3.6 Liter engine, that was imported and distributed by Volkswagen Group of America, Inc. (“VWGoA”) in the United States or Puerto Rico (hereinafter, collectively, “Settlement Class Vehicles”).^{*1}

Settlement Class Members are all persons and entities who purchased or leased a Settlement Class Vehicle in the United States of America or Puerto Rico.

The Action alleges a defect in the Settlement Class Vehicles’ main engine water pump (defined as the main engine (mechanically driven) water pump and water pump gasket) that may potentially result in premature failure which, if that occurs, could potentially result in a coolant leak requiring repair or replacement. VWGoA denies the claims and maintains that the Settlement Class Vehicles are not defective, function properly, were properly designed, manufactured, marketed and sold, and that no applicable warranties were breached nor any applicable statutes violated. The Court has not decided in favor of either party. Instead, the Action has been resolved through a Settlement under which eligible Settlement Class Members who qualify may obtain the following benefits:

I. Warranty Extension for Current Owners or Lessees of Settlement Class Vehicles

Effective on July 6, 2026, VWGoA will extend its New Vehicle Limited Warranties (“NVLW”) applicable to the Settlement Class Vehicles to cover eighty percent (80%) of the cost of repair or replacement (parts and labor) of a failed Main Engine Water Pump, by an authorized Volkswagen dealer, during a period of up to 8.5 years or 85,000 miles (whichever occurs first) from the In-Service Date of the Settlement Class Vehicle. The Warranty Extension will cover the Main Engine Water Pump and all parts and labor necessary to effectuate that repair.

¹ Not every such model and model year vehicle is covered by this Settlement (i.e., a Settlement Class Vehicle). The Settlement Class Vehicles are determined by specific Vehicle Identification Numbers (VINs). You can look up whether your vehicle is a Settlement Class Vehicle by typing your vehicle’s VIN, where indicated, in the VIN Lookup Portal on the Settlement website at www.MainEngineWaterpumpSettlement.com.

Questions? Call 1-888-227-1902 or visit www.MainEngineWaterpumpSettlement.com

The Warranty Extension is subject to the same terms and conditions set forth in the Settlement Class Vehicle's New Vehicle Limited Warranty and Warranty Information Booklet. Excluded from the Warranty Extension are any Main Engine Water Pump failures resulting from abuse, misuse, alteration or modification, a collision or crash, vandalism, other impact or outside source, and/or failure to use the proper VW recommended coolant fluid.

The Warranty Extension is fully transferable to subsequent owners, to the extent its time and mileage limits have not expired.

VWGoA will not be responsible for, and shall not warrant, repair or replacement work that was not performed by an authorized Volkswagen dealer.

II. Reimbursement for a Percentage of Certain Past Paid (and Unreimbursed) Out-of-Pocket Expenses for a Repair of the Main Engine Water Pump of a Settlement Class Vehicle

If you are a Settlement Class Member and paid (and was not otherwise reimbursed) for a repair or replacement of the Main Engine Water Pump of a Settlement Class Vehicle prior to July 6, 2026 and within 8.5 years or 85,000 miles (whichever occurred first) from said vehicle's In-Service Date, then you may submit a Claim to receive an eighty percent (80%) reimbursement of the paid invoice amount for said repair or replacement (parts and labor), limited to one (1) such repair or replacement per Settlement Class Vehicle. Reimbursement will also include eighty percent (80%) of the past paid expense of up to two (2) repairs or replacements (parts and labor) of the Settlement Class Vehicle's head gasket that was/were performed and paid for prior to July 6, 2026 and within 8.5 years or 85,000 miles (whichever occurred first) from said vehicle's In-Service Date, if the applicable repair record states that the head gasket repair or replacement was performed because the Settlement Class Vehicle had a coolant leak or low coolant level.

However, if the covered repair or replacement for which reimbursement is sought was not performed by an authorized Volkswagen dealer, then the paid invoice amount of the repair (parts and labor), from which the Settlement Class Member may receive an 80% reimbursement, shall be limited to a maximum of \$820.00 for a Main Engine Water Pump repair or replacement, and \$3,325.00 for a head gasket repair or replacement.

The above relief is subject to certain limitations and proof requirements, which are set forth below and in the Settlement Agreement, which can be found on the Settlement website at www.MainEngineWaterpumpSettlement.com.

III. Required Proof:

To qualify for a Claim for Reimbursement under Section II above, you must mail to the Claim Administrator, by first-class mail post-marked no later than October 5, 2026, a fully completed, signed and dated Claim Form, a copy of which is available at www.MainEngineWaterpumpSettlement.com, together with all required documentation listed below:

1. An original or legible copy of a repair invoice(s) or record(s) for the repair covered under the Settlement containing claimant's name, the make, model and vehicle identification number ("VIN") of the Settlement Class Vehicle, the name and address of the authorized Volkswagen dealer or non-dealer service center that performed the repair, the date of repair, the Settlement Class Vehicle's mileage at the time of repair, a description of the repair work performed including the parts repaired/replaced and a breakdown of parts and labor costs, and the amount charged (parts and labor) for the repair; (2) proof of the Settlement Class Member's payment for the repair including the amount paid; and (3) if the claimant is not the person or entity to whom/which class notice was sent, they must also submit proof of the Settlement Class Member's ownership or lease of the Settlement Class Vehicle at the time of the repair covered under the Settlement (i.e., that the claimant was a Settlement Class Member at the time of said repair(s)).
2. If reimbursement is sought for a percentage of the cost of a past paid head gasket repair or replacement during the period for which reimbursement is permitted under this Settlement Agreement, then in addition to the above documentation, the repair invoice(s) must state that said the repair or replacement of the head gasket was performed because the Settlement Class Vehicle had a coolant leak or low coolant level.
3. If the subject past repair was performed within the Settlement Class Vehicle's original New Vehicle Limited Warranty period by a service entity or facility that is not an authorized Volkswagen dealer, then in addition to the above documentation, you must also submit documentation confirming that you first attempted to have the repair performed by an authorized Volkswagen dealer, but the dealer declined or was unable to perform the repair free of charge. If you cannot supply such documents, you may submit a signed and dated Declaration confirming, under penalty of perjury, that you made such a prior attempt. A form Declaration will be available at www.MainEngineWaterpumpSettlement.com.

Questions? Call 1-888-227-1902 or visit www.MainEngineWaterpumpSettlement.com

IV. Limitations:

- A. Any reimbursement pursuant to this Settlement shall be reduced by goodwill or other concession paid by an authorized Volkswagen dealer, any other entity (including insurers and providers of extended warranties or service contracts), or from any other source. If you received a free replacement or repair, or were otherwise reimbursed the full amount for the repair, you will not be entitled to any reimbursement.
- B. Any repairs/replacements of the Main Engine Water Pump and/or head gasket resulting from abuse, misuse, alteration or modification, a collision or crash, vandalism, other impact or outside source, and/or failure to use the proper recommended coolant for the vehicle, does not qualify for reimbursement.

2. Why is this a class action settlement?

In a class action lawsuit, one or more persons, called Plaintiffs and Class Representatives, sue on behalf of other people or entities who have or may have similar claims (referred to as Settlement Class Members). The companies sued in the Action are called the Defendants. One court resolves the issues for all Plaintiffs/Settlement Class Representatives and Settlement Class Members, except for those who timely and properly exclude themselves from the Class.

The Court has not decided in favor of the Plaintiffs or Defendants. Instead, both sides agreed to a Settlement with no decision or admission of who is right or wrong. That way, all parties avoid the risks and cost of a trial, and the people affected (the Settlement Class Members) will receive benefits quickly. The Class Representatives and the attorneys believe the Settlement is best for the Settlement Class, and the Court has preliminarily approved it subject to the Final Fairness Hearing (Section 18 below).

WHO IS PART OF THE SETTLEMENT?

3. Am I in this Settlement Class?

The Court has conditionally approved the following definition of a Settlement Class Member: All persons or entities who purchased or leased a Settlement Class Vehicle in the United States of America and Puerto Rico. (The Settlement Class Vehicles are discussed in Section 1 above).

Excluded from the Settlement Class are (a) all Judges who have presided over the Action and their spouses; (b) all current employees, officers, directors, agents, and representatives of Defendants, and their family members; (c) any affiliate, parent, or subsidiary of Defendants and any entity in which Defendants have a controlling interest; (d) anyone acting as a used car dealer; (e) anyone who purchased a Settlement Class Vehicle for the purpose of commercial resale; (f) anyone who purchased a Settlement Class Vehicle with salvaged title and/or any insurance company who acquired a Settlement Class Vehicle as a result of a total loss; (g) any insurer of a Settlement Class Vehicle; (h) issuers of extended vehicle warranties and service contracts; (i) any Settlement Class Member who, prior to the date of final approval of the Settlement, settled with and released Defendants or any Released Parties from any Released Claims; and (j) any Settlement Class Member who files a timely and proper Request for Exclusion from the Settlement Class (see Section 10 below).

4. I'm still not sure if I am included in this Settlement.

If you are still not sure whether you are included in this Settlement, you can enter your VIN in the VIN look-up Portal at www.MainEngineWaterpumpSettlement.com to determine if your vehicle is a Settlement Class Vehicle. You can also call the Claim Administrator at 1-888-227-1902 or visit www.MainEngineWaterpumpSettlement.com for more information.

SETTLEMENT BENEFITS – WHAT YOU GET

5. What does the Settlement provide?

The benefits afforded by the Settlement are described in Section 1. Additional details are provided in the next three sections.

6. Who can send in a Claim for reimbursement?

Any person or entity who purchased or leased a Settlement Class Vehicle in the United States or Puerto Rico can send in a timely Claim for Reimbursement for money spent prior to the Notice Date (July 6, 2026) if the Claim satisfies the parameters and criteria required for reimbursement described in Section 1.

7. How do I send in a Claim for reimbursement?

To submit a Claim for reimbursement, you must do the following **no later than October 5, 2026**:

- A. Complete, sign under penalty of perjury, and date a Claim Form. (You can download a Claim Form at www.MainEngineWaterpumpSettlement.com, or obtain one by contacting the Claim Administrator at 1-888-227-1902 or by email to info@MainEngineWaterpumpSettlement.com.) It is recommended that you keep a copy of the completed Claim Form; and
- B. Mail the completed, signed, and dated Claim Form, together with your required supporting documentation (set forth in Section 1 above) by First-Class mail, post-marked no later than October 5, 2026, to the Claim Administrator at the address provided on the Claim Form. The information that must be reflected in your records is described on the Claim Form in addition to being described in Section 1 above. It is recommended that you keep a copy of your records and receipts.

If you are otherwise eligible for reimbursement benefits under the Settlement but fail to submit the completed Claim Form and supporting documents by the required deadline, you will not receive a reimbursement.

8. When do I get my reimbursement or learn whether I will receive a payment?

If the Settlement Claim Administrator determines your Claim is valid, your reimbursement will be mailed to you within one hundred (150) days of either (i) the date of receipt of the completed Claim (with all required proof), or (ii) the date that the Settlement becomes final (the “Effective Date”), whichever is later. The Court will hold a Final Fairness Hearing on September 10, 2026, to decide whether to approve the Settlement as fair, reasonable, and adequate. Information about the progress of the case, including any change of the Final Fairness Hearing date, will be available at www.MainEngineWaterpumpSettlement.com.

If the Claim Administrator determines your Claim should not be paid, you will be mailed a letter telling you this. If the reason for rejecting your Claim is due to a deficiency in your Claim Form and/or supporting proof, the letter will notify you of the deficiency(ies) in your Claim, and what needs to be submitted, and by when, to correct the deficiency. To check on the status of your Claim, you can call 1-888-227-1902.

9. What am I giving up to participate in the Settlement and stay in the Class?

Unless you exclude yourself by taking the steps described in Section 10 below, you will remain in the Class, and that means that you will be bound by the release of claims and cannot sue, continue to sue, or be part of any other lawsuit about the same matters, claims, and legal issues that were or could have been asserted in this case, and the Released Claims set forth in the Settlement Agreement. It also means that all of the Court’s orders and judgments will apply to you and legally bind you. The specific claims and parties you will be releasing are set forth in sections I.T and I.U of the Settlement Agreement, a copy of which is available for review on the settlement website, www.MainEngineWaterpumpSettlement.com.

EXCLUDING YOURSELF FROM THE SETTLEMENT

10. How do I Exclude Myself from this Settlement?

You have a right, if you so desire, to exclude yourself from this Settlement. To exclude yourself from the Settlement, you must send a written Request for Exclusion, that is individually signed by you, by U.S. mail post-marked no later than August 5, 2026 to the addressees listed below, stating clearly that you want to be excluded from the Settlement. You must include in the Request for Exclusion your full name, address, telephone number; the model, model year and VIN of the Settlement Class Vehicle; a statement that you are a present or former owner or lessee of a Settlement Class Vehicle; specifically and unambiguously state your desire to be excluded from the Settlement Class; and you must individually sign the Request for

Exclusion. All of this information is necessary for a valid Request for Exclusion. You must mail your Request for Exclusion, **post-marked no later than August 5, 2026**, to each of the following:

CLAIM ADMINISTRATOR	CLASS COUNSEL	DEFENSE COUNSEL
BRIGGS V. VOLKSWAGEN GROUP OF AMERICA SETTLEMENT C/O RUST CONSULTING, INC. - 9154 P.O. BOX 2599 MINNEAPOLIS, MN 55021-9599	MATTHEW D. SCHELKOPF, ESQ. SAUDER SCHELKOPF LLC 1109 LANCASTER AVENUE BERWYN, PA 19312	MICHAEL B. GALLUB, ESQ. SHOOK, HARDY & BACON LLP 1 ROCKEFELLER PLAZA, SUITE 2801 NEW YORK, NY 10020

You cannot exclude yourself on the phone or by email. If you timely submit a valid request to be excluded by U.S. mail, then you will not receive any benefits of the Settlement, and you cannot object to the Settlement. You will not be legally bound by anything that happens in this Action.

11. If I don't exclude myself, can I sue later?

No, you cannot sue later for the same matters and legal claims that were or could have been asserted in the Action or regarding any of the Released Claims against the Released Parties set forth in the Settlement Agreement, unless your claim is for personal injury or property damage (other than damage to the Settlement Class Vehicle related to the Main Engine Water Pump and/or head gasket).

12. If I exclude myself, can I get the benefits of this Settlement?

No, if you exclude yourself from the Settlement Class, you will not receive any money or benefits from this Settlement, and you should not submit a Claim Form. You cannot do both.

13. Do I have a lawyer in this case?

Yes, the Court has conditionally appointed Matthew Schelkopf and Joseph Kenney of Sauder Schelkopf LLC as "Class Counsel" to represent the Settlement Class.

14. Should I get my own lawyer?

You do not need to hire your own lawyer to participate in the Settlement because Class Counsel will represent you and the Settlement Class. But, if you want your own lawyer, you may hire one at your own cost.

15. How will the lawyers be paid, and will the Plaintiff Settlement Class Representative receive a service award?

Class Counsel have prosecuted this case on a contingency basis. They have not received any fees or reimbursement for costs and expenses associated with this case. Class Counsel will file an application with the Court requesting an award of reasonable attorney fees and reasonable costs and expenses ("Fees and Expenses") in an amount not exceeding a combined total sum of \$790,000.00. VWGoA has agreed not to oppose Class Counsel's application for Fees and Expenses to the extent not exceeding that combined total sum, and Class Counsel have agreed not to accept any Fees and Expenses in excess of that combined total sum.

Class Counsel will also apply to the Court for service awards, in the amount of \$3,500 each, to the four named Plaintiffs, Jessica Briggs, Christopher Gastall, Shannon Miller, and Dustin Olson, who have conditionally been approved as Settlement Class Representatives, for their efforts in pursuing this litigation for the benefit of the Settlement Class.

Any award for Class Counsel Fees and Expenses, and any service awards to Settlement Class Representatives, will be paid separately by Defendant and will not reduce any benefits available to you or the rest of the Settlement Class under the Settlement. You won't have to pay these Fees and Expenses.

Class Counsel's motion for fees and expenses and Settlement Class Representative service awards will be filed by July 21, 2026, and a copy will be made available for review at www.MainEngineWaterpumpSettlement.com.

SUPPORTING OR OBJECTING TO THE SETTLEMENT

16. How do I tell the Court that I like or dislike the Settlement?

If you are a member of the Settlement Class and do not request to be excluded, you can tell the Court you like the Settlement and it should be approved, or you can ask the Court to deny approval by filing a written objection. You can object to the Settlement and/or to Class Counsel's requests for Fees and Expenses and Settlement Class Representative service awards. You cannot ask the Court to order a different settlement; the Court can only approve or reject the proposed Settlement. If the Court denies approval of the Settlement, no settlement payments will be sent out and the Action will continue. If that is what you want to happen, you must object on a timely basis. You are not required to submit anything to the Court unless you are objecting or wish to be excluded from the Settlement.

To object to or comment on the Settlement, you must do either of the following **no later than August 5, 2026**:

- i. File your written objection or comment, together with any supporting papers or materials, on the Court's docket for this case, *Jessica Briggs, et al. v. Volkswagen Group of America, Inc., et al.*, Civil Action No. 2:25-cv-01540-SDW-JBC, United States District Court for the District of New Jersey, via its electronic filing system, or
- ii. File your written objection or comment, together with any supporting papers or materials, with the Court in person at the United States District Court for the District of New Jersey, Martin Luther King Jr. Federal Building and United States Courthouse, 50 Walnut Street, Newark, New Jersey 07102, or
- iii. Mail your written objection or comment, together with any supporting papers or materials, to each of the following, by U.S. first-class mail **post-marked no later than August 5, 2026**:

Regardless of the above method you choose, your written objection must state clearly that you are objecting to the Settlement or the request for Class Counsel Fees and Expenses and/or Class Representative Service Awards in *Jessica Briggs, et al. v. Volkswagen Group of America, Inc., et al.*, Civil Action No. 2:25-cv-01540-SDW-JBC, United States District Court for the District of New Jersey, and **must include all of the following**: Your full name, current address and telephone number; the model, model year and VIN of your Settlement Class Vehicle, along with proof that you own(ed) or lease(d) the Settlement Class Vehicle (i.e., a true copy of a vehicle title, registration or license receipt); a written statement of all grounds for the objection accompanied by any legal support; copies of any papers, briefs and/or other documents upon which the objection is based and which are pertinent to the objection; and the name, address, and telephone number of any counsel representing you with respect to your objection; a statement of whether you intend to appear at the Final Fairness Hearing, either with or without counsel; and, a detailed list of any other objections submitted by you, or any attorney representing you, to any class action settlements in any court in the United States in the previous five (5) years including the full case name with jurisdiction in which it was filed and the docket number, or, if there were no such other objections, it must include an affirmative statement that neither you nor any attorney representing you has objected to any other class action settlement in the United States in the previous five (5) years.

Any Settlement Class Member who does not submit a written comment on, or objection to, the proposed Settlement or the application of Class Counsel for service awards or attorneys' Fees and Expenses in accordance with the deadline and procedure set forth above, shall waive his/her/its right to do so, and to appeal from any order or judgment of the Court concerning this Action.

Subject to the approval of the Court, any timely and properly objecting Settlement Class Member may appear, in person or by counsel, at the Final Fairness Hearing to explain the bases for the objection. In order to appear, the Settlement Class Member **must, by the objection deadline of August 5, 2026**, file with the Clerk of the Court and serve upon all counsel designated in this Class Notice (see above), a Notice of Intention to Appear at the Fairness Hearing. The Notice

Questions? Call 1-888-227-1902 or visit www.MainEngineWaterpumpSettlement.com

of Intention to Appear must include copies of any papers, exhibits or other evidence and identity of witnesses that the Settlement Class Member (or his/her/its counsel) intends to present to the Court in connection with the Fairness Hearing. Any Settlement Class Member who does not provide a Notice of Intention to Appear in accordance with the deadline and other requirements set forth above shall be deemed to have waived any right to appear, in person or by counsel, at the Final Fairness Hearing.

17. What is the difference between objecting and excluding myself?

Objecting is simply telling the Court that you do not like something about the Settlement. You can object only if you stay in the Settlement Class. Excluding yourself is telling the Court that you do not want to be part of the Settlement Class and the Settlement. If you exclude yourself, you have no basis to object because the case no longer affects you.

FINAL FAIRNESS HEARING

18. When and where will the Court decide whether to approve the Settlement?

The Court will hold a Final Fairness Hearing at 11:00 am **on September 10, 2026**, before the Honorable Susan D. Wigenton, United States District Judge, United States District Court for the District of New Jersey, 4015 Martin Luther King Jr. Federal Building and United States Courthouse, 50 Walnut Street, Newark, New Jersey 07102, to determine whether the preliminarily approved Settlement should be granted final approval. At this Fairness Hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate. The Court will also consider Class Counsel's application for Fees and Expenses and service awards to the Settlement Class Representatives. The date of the Final Fairness Hearing may change without further notice to the Settlement Class. You should check the Settlement Website or the Court's PACER site to confirm that the date has not changed.

19. Do I have to come to the Fairness Hearing?

No. Class Counsel will answer any questions the Court may have. But you are welcome to come at your own expense. If you send an objection, you do not have to come to Court to talk about it. You may also pay your own lawyer to attend, if you so choose. Your objection will be considered by the Court whether you or your lawyer attend or not.

20. May I speak at the Fairness Hearing?

If you do not exclude yourself, you may ask the Court's permission to speak at the Fairness Hearing concerning the proposed Settlement or the application of Class Counsel for Fees and Expenses and Settlement Class Representative service awards. To do so, you must file with the Clerk of the Court, and serve upon all counsel identified in Section 16 of this Class Notice, a Notice of Intention to Appear at the Fairness Hearing, saying that it is your intention to appear at the Fairness Hearing in *Jessica Briggs, et al. v. Volkswagen Group of America, Inc., et al.*, Civil Action No. 2:25-cv-01540-SDW-JBC, United States District Court for the District of New Jersey. The Notice of Intention to Appear must include copies of any papers, exhibits or other evidence and the identity of witnesses that the objecting Settlement Class Member (or the objecting Settlement Class Member's counsel) intends to present to the Court in connection with the Fairness Hearing.

You (or any attorney representing you) must file your Notice of Intention to Appear with the Clerk of the Court and serve upon all counsel designated in the Class Notice, by the objection deadline of August 5, 2026. You cannot speak at the Fairness Hearing if you excluded yourself from the Settlement.

IF YOU DO NOTHING

21. What happens if I do nothing at all?

If you do nothing, you will be bound by the Settlement if the Court approves it, including all orders, judgments and the release of claims set forth in the Settlement.
