Basic Information

1. Why was this Notice issued?

The Superior Court No. 1 for Tippecanoe, Indiana, authorized this Notice. You have a right to know about the proposed Settlement of this class action lawsuit, and about all of your options, before the Court decides whether to grant final approval of the Settlement. This Notice explains the lawsuit, your legal rights, what benefits are available, and who can receive them.

The lawsuit is called *In re: Valley Oaks Data Incident Litigation*, Case No. 79D01-2403-PL-00032. It is pending in the Superior Court No. 1 for Tippecanoe, Indiana. The people that filed this lawsuit are called the “Plaintiffs” (or “Class Representatives”) and the company they sued, Valley Oaks Health, Inc., is called the “Defendant.”

2. What is this lawsuit about?

This lawsuit alleges that during the June 2023 targeted cyberattack on Valley Oaks' computer systems, certain files that contained private information were accessed. These files may have contained personal information such as U.S. Social Security number; driver's license number; state identification card number, or other government-issued identification number; account number; credit card number, or debit card number in combination with any required security code; access code, or password that would permit access to an individual's financial information; biometric data; DNA profile; user name or email address in combination with any required security code; and access code or password that would permit access to an online account.

3. What is a class action?

In a class action, one or more individuals sue on behalf of other people with similar claims. These individuals are called the “Plaintiffs” or “Class Representatives.” Together, the people included in the class action are called a “Class” or “Class Members.” One court resolves the lawsuit for all Class Members, except for those who opt out from the settlement. In this Settlement, the Class Representatives are Joel Milligan; Catherine Buckland; Trishia Stetler; Shane High; Rebecca Loeffler; Jason Smith; and Branden Floyd. Everyone included in this Action are the Class Members.

4. Why is there a Settlement?

The Court did not decide whether the Plaintiffs or the Defendant are right. Both sides have agreed to a Settlement to avoid the costs and risks of a trial, and to allow the Class Members to receive benefits from the Settlement. The Plaintiffs and their attorney think the Settlement is best for all Class Members.

Who is in the Settlement?

5. Who is included in the Settlement?

The court has defined the Class this way: “All Persons whose Private Information was potentially compromised as a result of the Incident and who are included on the Settlement Class List.”

6. Are there exceptions to being included?

Yes. Excluded from the Class are: (i) the Judge assigned to evaluate the fairness of this Settlement, Court personnel and any members of their immediate families; (ii) Valley Oaks, and any entity in which Valley Oaks Health, Inc. has a controlling interest, is a parent or subsidiary, or which is controlled by Valley Oaks, and the affiliates, legal representatives, attorneys, heirs, predecessors, successors and assigns of Valley Oaks; and (iii) any other person found by a court of competent jurisdiction to be guilty under criminal law of initiating, causing, aiding or abetting the criminal activity occurrence of the Incident or who pleads *nolo contendere* to any such charge.

Settlement payments will be distributed if the Court grants final approval, and after any appeals are resolved.

The Lawyers Representing You

12. Do I have a lawyer in the case?

Yes, the Court has appointed attorney Lynn A. Toops of CohenMalad, LLP, to represent you and other Class Members (“Class Counsel”).

13. Should I get my own lawyer?

You will not be charged for Class Counsel’s services. If you want your own lawyer, you may hire one at your expense.

14. How will Class Counsel be paid?

Class Counsel will ask the court to approve \$450,000.00 as reasonable attorney's fees and reimbursement of litigation costs. This amount will be paid by Valley Oaks.

Class Counsel will also ask for Service Award payments of \$2,500.00 for each of the Class Representatives. Service Award payments will also be paid by Valley Oaks.

Excluding Yourself from the Settlement

15. How do I opt out of the Settlement?

If you do not want to be part of the Settlement, you must formally exclude yourself from the Settlement. This is called a Request for Exclusion and is sometimes also called “opting out.” If you opt out, you will not receive Settlement benefits or payment. However, you will keep any rights you may have to sue Valley Oaks on your own about the legal issues in this case.

If you exclude yourself, you are telling the Court that you do not want to be part of the Settlement. You will not be eligible to receive any Settlement benefits if you exclude yourself.

The deadline to exclude yourself from the Settlement is **November 9, 2026**.

To be valid, your Request for Exclusion must have the following information:

- (1) the name of the Litigation: *In re: Valley Oaks Data Incident Litigation*, Case No. 79D01-2403-PL-00032, pending in the Superior Court No. 1 for Tippecanoe, Indiana;
- (2) your full name, mailing address, telephone number, and email address;
- (3) your personal, wet ink signature (electronic or typed signatures are not sufficient); and
- (4) the words “Request for Exclusion” or a clear and similar statement that you do not want to participate in the Settlement.

You may only exclude yourself—not any other person.

Mail your Request for Exclusion to the Settlement Administrator at:

Valley Oaks Data Incident Settlement
c/o Settlement Administrator
P.O. Box 25226
Santa Ana, CA 92799-9958

Your Request for Exclusion must be submitted, postmarked, or emailed by **November 9, 2026**.

Commenting on or Objecting to the Settlement

16. How do I tell the Court if I like or do not like the Settlement?

If you are a Class Member and do not like part or all of the Settlement, you can object to it. Objecting means telling the Court your reasons for why you think the Court should not approve the Settlement. The Court will consider your views.

You cannot object if you have excluded yourself from the Settlement (**see Question 15**)

You must provide the following information for the Court to consider your objection:

- (1) the name of the Litigation: *In re: Valley Oaks Data Incident Litigation*, Case No. 79D01-2403-PL-00032, pending in the Superior Court No. 1 for Tippecanoe, Indiana;
- (2) your full name, mailing address, telephone number, and email address;
- (3) information that proves that you are a Class Member (such as a notice you have received);
- (4) whether the objection applies only to you, or to other Class Members, as well;
- (5) a clear description of all the reasons you object; include any legal support, such as documents, you may have for your objection;
- (6) if you have hired your own lawyer to represent you for this objection, provide their name, bar number, and contact information;
- (7) if you or your lawyer have objected to a class action settlement in any other cases, list the names, courts, and civil action numbers for each of those cases;
- (8) whether or not you or your lawyer would like to speak at the Final Approval Hearing;
- (9) if you plan on calling witnesses or submitting documents at the Final Approval Hearing, provide a full list of both;
- (10) your personal, wet ink signature (if you have hired your own lawyer, their signature is not sufficient).

For your objection to be valid, it must meet each of these requirements.

To be considered by the Court, you must file your complete objection with the Clerk of Court by November 9, 2026. You must also send a copy of the objection to the Settlement Administrator.

Clerk of the Court	Settlement Administrator
Clerk of the Court Superior Court No. 1 Tippecanoe County Courthouse 301 Main Street Lafayette, IN 47901	Valley Oaks Data Incident Settlement c/o Settlement Administrator P.O. Box 25226 Santa Ana, CA 92799-9958

17. What is the difference between objecting and excluding?

Objecting is telling the Court that you do not like something about the Settlement. You can object to the Settlement only if you do not exclude yourself from the Settlement. Excluding yourself from the Settlement is opting out and stating to the Court that you do not want to be part of the Settlement. If you opt out of the Settlement, you cannot object to it because the Settlement no longer affects you.

The Court's Final Approval Hearing

18. When is the Court's Final Approval Hearing?

The Court will hold final approval on **December 10, 2026, at 2:00pm Eastern Time**, in the Superior Court No. 1 for Tippecanoe, Indiana, at 301 Main Street, Lafayette, IN 47901.

At the final approval hearing, the Court will decide whether to approve the Settlement. The court will also decide how Class Counsel should be paid, and whether to award Service Award payments to the Class Representatives. The Court will also consider any objections to the Settlement.

If you are a Class Member, you or your lawyer may ask permission to speak at the hearing at your own cost (**See Question 16**).

The date and time of this hearing may change without further notice. Please check www.valleyoaksdatasettlement.com for updates.

19. Do I have to come to the Final Approval Hearing?

No. Class Counsel will answer any questions the Court may have. You may attend at your own expense if you wish, but you do not have to.

If you file an objection, you do not have to come to the Final Approval Hearing to talk about it; the Court will consider it as long as it was filed on time. You may also pay your own lawyer to attend, but you do not have to.

If I Do Nothing

20. What happens if I do nothing at all?

If you do nothing, you will not receive a benefit from this Settlement.

You will also give up the rights described in **Question 8**.
